As we all know working as a TEAM, we can accomplish goals easier than doing them individually. As a financial sponsor we can continue our safety standards and emission regulation initiatives for our industry.

**Your financial support is needed to continue:**

- 1) Safety Standards, THC 335H (Technical Harmonization Committee) as we continue our work.
- 2) Engine Emission Regulation, as we continue communicating with CARB & EPA on exhaust and evaporative mandates.

Both items affect our component suppliers, equipment manufacturers, distributors, and contract cleaners.

Select your Sponsorship:		
<b>HIGH TECH</b>	Sponsor will receive, but not limited to, Banner of your Company Logo* on the CETA Website displayed through the end of the year. Also, your Logo incorporated in with the CETA Technical Committee Logo above and used through the end of the year. Signage at events.
