Each application received will be presented to the CETA Trustees for approval. Applications should be emailed to info@ceta.org.

The Foundation funds this Continuing Education Grant program through a variety of activities. Members who use the CETA endorsed Lease Consultants Programs earn rebates for the Foundation for each lease financed and the generosity of the CETA Members and the tax-deductible individual contributions.

Through your help, the Foundation has been able to provide 152 Scholarships, over the past 25 years! It is the desire of the Trustees to continue the Scholarship program along with the Continuing Education Grant program to support CETA members. We would like to take this opportunity to extend our sincere gratitude and appreciation to everyone who has made this program possible!
