"I am truly grateful for the CETA Scholarship Foundation! Because of this scholarship, I can focus more on my studies and less on my finances. I am excited to start my senior year and see what the future holds after graduation. It would not be possible without the help of the CETA Scholarship Foundation - thank you!"

"I am honored to be a recipient of this generous investment in my future career! This has given me the opportunity to attend my dream school, which I did not see possible a couple of years ago. I hope to use this gift well and be able to pay it forward to future generations."

Kaiden Ricketts - California Baptist University

Hotsy of So. Cal. - Distributor Member

"Winning the CETA scholarship last year allowed me to attend California Baptist University, as the funds covered part of my tuition. The CETA scholarship allowed me to continue pursuing my dreams of public service, as I am currently double majoring in Criminal Justice and Christian Studies. As a winner this year, I am thankful to receive this award because I know how much it benefits the recipient to cover tuition expenses. I can proudly say, along with the other winners, that the CETA organization has helped everyone excel in their fields of choice and pursue a higher education in college. Receiving this means a lot to me, as it has allowed me to finish my first year of college, and with each year, I get closer to being a first-generation college graduate. I am beyond blessed to have been elected winner this year, and it could not have been possible without the help of my family at Hotsy of Southern California. Thank you, CETA!"

"This scholarship is fundamental for my future and I am beyond grateful to be one of the recipients! It means the world to me and will make a significant difference in my academic journey towards receiving my undergraduate degree while also putting me in a better position to start applying to graduate programs! I am truly grateful for the support and belief in my potential. I promise to make the most of this opportunity and strive to excel in my studies."

"I am elated to be writing this statement after receiving the esteemed CETA scholarship. This is an honorable opportunity for me as it will aid in my overseas education. I warmly embrace all the improvements that this scholarship will help to bring. Furthermore, it is my hope that as I improve academically, that I can also grow as a human being. I will make sure to put in the effort to make this scholarship worthwhile. My sincerest gratitude to everyone that made this possible."

"The CETA Scholarship Foundation has been incredibly generous and benevolent in their efforts to assist students financially in their aspiring careers. I am very grateful to this foundation for continually providing more opportunities to have flexibility in the pursuit of continuing my education at the University of South Dakota. The monetary funds towards my tuition are greatly appreciated as I begin Occupational Therapy School in July 2024 on an accelerated graduate course. Thank you!"

"Thank you so much for honoring me with a CETA Scholarship! I am about to begin my freshman year at Purdue University, having already been accepted into their School of Veterinary Medicine through the Purdue Vet Scholars program, which fast-tracks Vet School admission following 2-3 years of undergrad requirements. I will be fulfilling my goal of becoming a veterinarian, a dream that started when I was nine and my family began fostering dogs for two Indianapolis-area shelters. Since then, we've fostered over 200 dogs and puppies."

My dad has worked my entire life in the cleaning equipment industry, and growing up, I often had to park my bike next to big demo pressure washers in our garage. Thank you to the CETA Scholarship Board, and to Nilfisk Pressure-Pro for sponsoring my application!"

"I am very grateful for this financial award. My plan is to double major in History and Government to become a Lawyer. With that heavy load, the money received will help take my mind off high college costs. Thank you, CETA and for your support of my higher education."
